## THOMAS TO DELIVER BOTTLED WATER TO SENIOR COMPLEX WITHOUT WATER Water Main Breaks-Seniors To Be Without Water For At Least 24 Hours

DETROIT-With a water main break shutting off water to Cambridge Towers for 24 hours, State Senator Buzz Thomas (D-Detroit) ensured that his fellow Detroiters would not go without. Thomas successfully delivered over 1,000 bottles of water to the seniors who live in the Towers.

"When I got the call that Detroit seniors were going to be without water I immediately knew I had to do something," Thomas said. "With the heartbreaking news of natural disasters going on throughout the world, I just couldn't allow my neighbors to suffer."

The Cambridge Towers are located on the corner of Evergreen and 7 Mile. The Towers are 250 unit apartments. Eastown Distributors donated the 60 cases of water.
